Chandigarh, India

EDUCATION

- Punjab Engineering College - Electrical Engineering** Nov 2022 - June 2026
GPA: 7.65/10 Chandigarh, India
- GMSSS 33D - CBSE XII** July 2022
Percentage: 90 Chandigarh, India
- St. Anne's Convent School - CBSE X** June 2020
Percentage: 94 Chandigarh, India

PROJECTS

- FillBot - Automated Form-Filling Bot using UiPath** 2024
Tools: UiPath RPA framework, Excel, Microsoft Forms
 - Engineered an email-integrated bot to automatically capture and process candidate resumes from recruitment emails
 - Implemented PDF parsing with OCR to extract candidate information with 95% accuracy
 - Integrated with Microsoft Forms to reduce manual processing time by 80
- Makhana Grading System** 2025
Tools: Python, OpenCV, Numpy, Google Colab
 - Developed a computer vision system using Python to automatically grade Makhana into different grades
 - Implemented feature extraction for quality metrics with image segmentation techniques

SKILLS

- Machine Learning:** Linear/Logistic Regression, Neural Networks, Clustering, Decision Trees
- RPA & Data Analysis:** Pandas, Matplotlib, SQL, Excel, PowerBI, UiPath
- Programming languages:** C++, C, Python

HONORS AND AWARDS

- National Dronetech Competition Runner-Up** March 2024
IIT BHU 
 - Led 4-member team to secure 2nd place among 60+ teams in advanced drone racing competition
- STGI Hackathon Top-5 Finish** August 2024
Punjab Engineering College
 - Secured 4th place among 50+ teams for developing innovative solution in 24-hour hackathon
- Technical Excellence Award (2023 - 24)** May 2024
Punjab Engineering College 
 - Recognized for outstanding contributions in technical events and project implementations

LEADERSHIP EXPERIENCE

- Organizing Committee President & PRO** June 2023 - June 2024
Les Amis / PEC
 - Executed annual recruitment drive, achieving 200+ student registrations through targeted campaigns
 - Led team of 30 committee members to plan and execute flagship campus events with 250+ participation
 - Managed club's public relations strategy, driving 40% increase in event engagement
- Event Management Head** Jan 2024 - Present
Rotaract Club / PEC
 - Lead cross-functional team of 40 volunteers to organize high-impact community service events
 - Coordinated logistics for multiple charitable drives benefiting elderly homes, animal shelters, and underprivileged communities

CERTIFICATIONS

- Machine Learning Specialization** 2025
- Data Analysis and Visualization with Power BI** 2025
